## OUR MISSION

Our mission is to provide comprehensive duty of care to clients operating in fragile environments by prioritising safety and well-being.

At Spearfish, our purpose is to foster safe and secure environments where individuals can work and travel with confidence, projects can thrive, and communities can flourish.

We are committed to supporting both longstanding and emerging partnerships, recognising that each organisation has a unique level and appetite for risk.

## ABOUT US

Originally established in the UK, Spearfish South Asia have been providing duty of care and security risk management solutions to a wide selection of industries from International Development to the hospitality sector for over a decade.

With a global reach, multiple hubs, and a Regional Security Network spanning Ukraine, Sub-Saharan Africa, and South East Asia, we are committed to empowering clients through scalable tools, support, and empathetic security solutions.

Our product lineup consists of the four areas;

Online Duty of Care Centre, Overwatch, Consultancy, and Crisis Response.

## WHAT WE DO
